According to the Bestial order in the case cited in 78.12.9 the Govt. claims payment on the basis of the 5-120 Sea Shipping. This would amount to Rs 8286-8-0. As against this the Port S.O.C. proposes Rs 1257-5-6 (actual expenditure incurred by the Govt.) plus 20% for profit.

In the circumstances the compensation has been fixed at the expenditure incurred plus 15% for profit

Dear Sir,

Re : C.S.K.Head Screws -- 867 gross.

I thank you for your kind endorsement No. 3687 dated 18th instant. I regret, I have not received any orders from the Chief Controller of Purchase (Munitions) Calcutta for supply of above to the Controller of Supplies, South India Circle, Madras and he has not also replied the copy of my letter dated 16th March 1943 sent to him for his information. In this letter, I have clearly informed you that I shall supply the whole lot of C.S.K.wood Screws to the Hindustan Air Craft Co. Ltd.,Bangalore and as the Chief Controller of Purchase (Munitions) Calcutta,has not sent me any definite instructions for immediate supply, I am sure he is not in need of the screws reserved for him for the past 6 months. You know that I have paid the value of the screws about 6 months ago and I could have rotated the sum 100 times if I had sold the screws in the market.

CHIEF SECRETARY 29 MAR. 1943 GOVT. OF MYSORE.

As I have lost a good deal of amount by keeping the stock idle, I humbly request you kindly to arrange for taking over the stock yourself by paying the value of the same within 4 days from date, failing which I shall be under the necessity of selling the stock in the market, as I do not want to lock up my capital indefinitely.

Your immediate action in the matter will oblige much.

Thanking you,

Yours faithfully,

Dear Sir,

Ref: Order No.3868/w dated 8th April 1943.

With further reference to your above order, I beg to bring the following to your kind consideration and immediate favourable orders.

I t was as long back as 18th Jan'43 that you asked the goods in question to be frozen in your order No.3122/w. I atonce abided by it. These goods should have been supplied to M/s.Hindustan Aircraft. I waited for nearly two months and meanwhile gave to you the necessary documents for your perusal.

Again another order No.3630/w dated 12th March'43 was issued to me asking me to reserve the entire stock for the use of Chief Controller of Purchase(Munition), Calcutta. Thus my stock remained frozen.

I waited for another fifteen days and appealed to you to permit me to sell the sock to you alone as not defenite instructions as promissed by you in your letter No.3687/w dated 18th March'43 came to me. Neither the sock would be sold to M/s.Hindustan Aircraft not to the Chief Contoller of Purchase(Munition), Calcutta, the goods continued to remain frozen.

Instead, I received another order No.3765/w dated 29th March'43 asking me not to violate the order. Then I patiently waited when order No.3868/w dated 8th April'43 came to me permipting me to supply the frozen stock of screws in question to M/s.Hindustan Aircraft Ltd., Unfortunately M/s.Hindustan Aircraft Ltd., had meanwhile cancelled the order as your instruction to them(3633/d dated12th March'43). I herewith enclose a copy of their letter No.P 23511 dated 16th March'43.

When your order was received permitting me to supply the goods to M/s.Hindustan Aircraft alone and to none else, I write to them to arrange to take delivery of the goods.

I have now finally heard from them (acopy of letter No.P662 dated 27/4/43 enclosed) stating that they have made other arrangements and they do not require my goods

I therefore appeal to you to consider how much inconvenience I have been put to, for nearly six months and more. The stock remain frozen and as I have paid the value of the screws about an year back and put to a terrible loss. Therefore I beg to request you to consider

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

No. 42 41/43.

Bangalore, Dated, 8th May 1943.

From

The Chief Secretary to the Government of His Highness the Maharaja of Mysore.

To

The Controller of Supplies,
South India Circle,
(Post Box No.195), Madras.

Sir,

910 gross screws with Mr.P.Mohamed Ebrahim.

***

With reference to the correspondence ending with your memo dated 13th April 1943 forwarding copy of letter No.M.F.2. dated 13th April 1943 to the Director General of Munitions Productions on the above subject, I am directed to forward herewith copy of letter dated 30th April 1943 from Mr.P.Mohamed Ebrahim and to request you kindly to intimate if, in the circumstances represented by him, he may be permitted to dispose of the stock in the open market. The favour of a very early reply is requested. The articles were frozen nearly four months ago and it is only reasonable that the party should be allowed to find a sale for it if the Government Department do not purchase it quickly.

I have the honour to be
Sir,
Your most obedient servant,

for Chief Secretary to Government.

Copy of letter dated 30th April 1943, from Mr.P.Mohamed Ebrahim, No.5, Gundopanth Street, Bangalore, to the Chief Secretary to Government, Bangalore.

Ref: Order No.8868/W. dated 8th April 1943.

***

With further reference to your above order, I beg to bring the following to your kind consideration and immediate favourable orders.

It was as long back as 18th January 1943 that you asked the goods in question to be frozen in your order No.3122/W. I at once abided by it. These goods should have been supplied to M/S.Hindustan Aircraft. I waited for nearly two months and meanwhile gave to you the necessary documents for your perusal.

Again another order No.3630/W. dated 12th March 1943 was issued to me asking me to reserve the entire stock for the use of Chief Controller of Purchase (Munition), Calcutta. Thus my stock remained frozen.

I waited for another fifteen days and appealed to you to permi me to sell the stock to you alone as no definite instructions

p

as promised by you in your letter No.3687/W. dated 18th March 1943 came to me. Neither the stock would be sold to M/S. Hindustan Aircraft not to the Chief Controller of Purchase (Munition) Calcutta, the goods continued to remain frozen.

Instead, I received another order No.3765/W. dated 29th March 1943 asking me not to violate the order. Then I patientl waited when order No.3868/W. dated 8th April 1943 came to me permitting me to supply the frozen screws in question to M/S. Hindustan Aircraft Ltd., Unfortunately M/S.Hindustan Aircraft Ltd., had meanwhile cancelled the order as your instruction to them (3633/d dated 12th March 1943). I herewith enclose a copy of their letter No.P.23511 dated 16th March 1943

When your order was received permitting me to supply the goods to M/S.Hindustan Aircraft alone and to none else, I write to them to arrange to take delivery of the goods

I have now finally heard from them (a copy of letter No. P.662 dated 27/4/43 enclosed) stating that they have made other arrangements and they do not require my goods.

I therefore appeal to you to consider how much inconvenience I have been put to, for nearly six months and more. The stock remain frozen and as I have paid the value of the screws about an year back and put to a terrible loss. Therefore I beg to request you to consider these circumstances and permit me at-least to dispose off the stock in the market so that my capital may not be locked up indefinitely and consequently affecting my whole business. I once again appeal to you to permit me as requested for which I shall be ever grateful

Thanking you in anticipation.

P.S. The documents deposited with you may also be kindly returned for reference if done with.

With reference to correspondence ending with your letter No.C/MF/2 dated 28th May 1943 on the above subject ~~and~~ I am desired to state that the freezing in this case was first effected nearly five months ago and the question of disposal of the articles has been still pending. It is hardly necessar to state that such delay in intimating the final disposal to the parties puts them to considerable loss and inconvenience. ~~and that~~ They naturally ~~complain~~ have a right to that some decision should be reached as early as possible ~~within a fortnight~~ so that either the articles may be taken over by Governmen or ~~the parties~~ permitted to dispose of them ~~as they like~~ for such offers as they get instead of ~~their being placed~~ being kept in ~~a state of~~ suspense. ~~or being made to los such attractive offers as they may get.~~

A long delay in these ~~matters~~ gives rise to ~~needless~~ criticisms and brings the authorities freezing the material to avoidable ~~blame~~. I am to request that whenever this Government is requested to freeze any articles, they may be advised of the final decision quickly/so that the articles may be requisitioned or the freezing order raised, leaving the party to dispose of the material. ~~I am to request that~~ In this present case, the decision may be communicated ~~immediately~~.

Dear Sir,

Re: C.S.K.head screws frozen with me for the past 1 year
for supply to the Hindustan Aircraft Ltd., B a n g a l o r e

I beg to submit that the Government of H.H.The Maharaja of Mysore, ordered me to reserve the whole stock of Wood Screws received about a year ago for the Hindustan Aircraft Ltd.,Bangalore. Now we have definitely heard from them to the effect that they do not require the wood screws reserved for them.

I am a Retail - Dealer in Hardware in Bangalore City and I purchase limited stocks and sell the same in the bazar. - On account of War, it is practicably difficult for me to get stocks and sell amidst my customers. I shall feel highly obliged if you will kindly permit me to sell the undermentioned wood screws -- retailly as I have absolutely no stocks with me and as I have to keep on my staff and shop in the bazar by selling minimum stocks available. I have no objection to keep for myself the whole - stock if you will kindly order me to do so.

1.	80	Gross	No. 9 -	1" screws
2.	50	"	11 -	1"
3.	12	"	6 -	1⅛"
4.	12	"	7 -	1¼"

7.	18	"	11 -	1¾"
8.	12	"	9 -	2"
9.	12	"	11 -	2

I trust you will kindly permit me to sell the above by return post and oblige.

Please note that I lost 43 gross of Screws in the custom office for which I did not receive any compensation.

As I have to cover up the loss sustained by the loss of 43 gross and, as I have to keep on running my retail bousiness, I once more humbly beg of you to be kind enough to consider my case favourably and permit me to sell the stock noted on the reverse. You can arrange to take the balance very early.

Thanking you for an immediate sanction as the matter is pending from a very long time.

Yours faithfully,

Copy to the Chief Secretary to Government of H.H.The Maharaja of Mysore Bangalore with reference to order No 4395/W dated 9/10th June 1943 with a request to recommend ~~xxx~~ the sale of the screws requested.

Sir,

910 Gross CSK.Head Screws reserved with Messrs. P.Mohamed Ebrahim, Bangalore City.

***

I am directed to invite reference to letter No.MP/DFI/286/B6 dated the 30th June 1943 to Messrs.P.Mohamed Ebrahim, Bangalore City, from the Chief Controller of Purchase (Munitions), a copy of which has been sent to you, regarding the despatch of the screws requisitioned by this Government to the District Controller of Stores, Howrah, and to state that it is not understood whether compensation for the articles requisitioned has been determined and mutually agreed upon between the Controller and the party.

In this connection I am to state, that the articles were requisitioned by this Government and therefore the responsibility of determining the compensation payable in respect of it rests on this ~~Government~~ under Sub Rule (4) of Rule 75A of the Defence of India Rules as applied to Mysore and that therefore it would be incumbent on this Government to assess the compensation in the event of the party not accepting the price that might have been or might be offered by the Chief Controller. It is therefore necessary that the articles should be available here for inspection by this Government or its officers duly authorised in this

P.T.O.

behalf to enable them to determine the amount of compensation payable to the party. If, on the other hand, the party despatches the articles as advised by the Chief Controller of Purchase and the party objects to the quantum of compensation which may be offered, complications are likely to arise. In these circumstances, I am to suggest for your consideration whether it is not desirable that the compensation should ~~not~~ be determined and the party's acquiescence there to obtained before the articles are despatched from here, so that, in the event of any disagreement this Government may be in a position to ~~step in~~ intervene and finally determine the apppopriate compensation that would be payable to the party.

In this connection I am further to suggest that in all such cases where this Government is requested to requisition articles on your behalf, the question of compensation may invariably be got settled before the articles are taken delivery of or are required to be despatched.

Your kind order No M,P. DFI 286 B 6 dated 30-6-43.

I beg to invite your kind reference to my letter dated 3rd Oct 43 and shall feel highly obliged if you will kindly send me your immediate instructions in the matter as the Screws Consignment is drenched in rain while getting the same back from the railway station and I am afraid the whole stock may get rusted in this cold climate by the time it reaches the destination and it will be of no use afterwards. Hence please arrange with your Department here to take delivery of the same or give me permission to open out the consignment and sell it away in the bazar so that I may make out my amount.

Thanking you for your immediate orders,

Yours faithfully,

P. Mohamed Ebrahim.

No. S. P. C. 1078 / Gen 2

Bangalore City, dated 3rd November 1943.
(S. India.)

To

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
B A N G A L O R E.

Reservation of Screws with Mr. P. Mohamed Ibrahim, Bangalore City.

With reference to your letter No. W.153 dated 30th July 1943, I am directed to state that Mr. P. Mohamed Ebrahim, Bangalore City, was called upon to produce the relative papers and they were examined. The material could not be inspected as the party reports that they had already been sent to the Railway Station for booking.

The party also represents that 43 gross of screws were found short in the consignment on arrival at destination and that the matter was taken up with their bankers who, after prolonged correspondence, refused to accept any responsibility for this loss. He therefore feels that the loss should also be taken in consideration for assessing the value.

On the basis of the papers made available to me the actual landed cost of the consignment works out to Rs. 1,251-5- as per details noted below.

Amount remitted by the party on 23-12-42 towards the cost of invoice including interest (as per his pass book of the Bank of Mysore Ltd.)	Rs.	918-11-?0
Customs, clearing, etc.		264- 4- 6
Carthire, cooly, etc. at Madras		11- 4- 0
Ry.freight from Madras to Bangalore City		10-10- 0
Octroi duty at Bangalore City		14- 8- 0
Carthire at Bangalore City		7- 0- 0
Bank commission, correspondence, telegrams, etc.		25- 0- 0
Total.	Rs.	1,251- 5- 6

The firm had an offer from Messrs. Hindustan Aircraft Ltd., Bangalore, for this consignment at Rs. 4-8-0 per Shilling and they were also permitted by Government to dispose of this consignment to the Aircraft but subsequently this permission was withdrawn. In view of the above offer, the present market conditions, the loss on account of shortage observed, interest on the locked up capital, etc., the party represents that he may be allowed a rate of Rs. 5-12-0 per Shilling.

P.T.O.

On enquiry the present market rate for these screws was ascertained to range from Rs. 6-0-0 to Rs. 7-0-0 per Shilling.

Taking the above facts into consideration, I am of opinion that the party may be allowed the actual landed cost of Rs. 1,251-5-6 plus 20% towards his profit and other incidental charges, on the actual stock the firm now held.

The invoice received with your letter is returned herewith.

I have the honour to be,
Sir,
